

Technical drawing of a traffic light pole. The drawing includes a side view on the left and a front view on the right. The side view shows a pole with three horizontal arms, each with a circular light fixture. The front view shows a pole with three horizontal arms, each with a rectangular light fixture. Dimensions are indicated on the right side of the front view: the distance between the top arm and the middle arm is 2 000, and the distance between the middle arm and the bottom arm is 2 000. The total height of the pole is 4 000. The ground line is indicated at the bottom of the drawing.
